## Reports to Regional Coordinator

### Job Description:

#### Recruit & Engage Student Leaders

- With the support of your regional coordinator, identify and engage a diverse group of student advocates from your campus (especially undergraduates).
- Work with your Regional Coordinator to set outreach goals for each academic year. (EX: Recruit at least 10 students from my campus)

#### Build & Strengthen Student Networks

- Assist your Regional Coordinator in organizing and leading student groups throughout the year in online and in-person settings.
- Foster collaboration among students passionate about higher education policy.
- Network with **fellow students, school clubs, and student government** to expand WA-SEN's reach.
- Request professors to **forward WA-SEN event invitations** to students in their courses and distribute posters across your campus.

#### Mobilize Advocacy Efforts

- Educate legislators on the importance of **financial aid expansion and higher education attainment** through WA-SEN provided tools/events.
- Assist your Regional Coordinator in self-directed engagement initiatives, using both virtual and in-person strategies.
- Receive coaching and support from WA-SEN, as well as collaborate with the WA-SEN team to enhance advocacy efforts.
- Attend **town hall events in your legislative district**, representing WA-SEN and preparing to ask questions related to WA-SEN's goals and concerns.
- Assist your Regional Coordinator in facilitating both virtual and in-person legislative interactions, including in-district meetings and advocacy efforts in Olympia.

#### Host & Support Campus Advocacy Events

- **With the support of your Regional Coordinator, table at campus events** to increase awareness and recruit student advocates.
- Help organize or assist in WA-SEN events at your college.

#### Commit to Full Participation in WA-SEN Events

- Attend **all required WA-SEN events**, (unless prohibited by school, work, or family obligations).
- **Engage actively in all virtual events** by turning on video, contributing to the chat, and assisting as needed.

#### Signature WA-SEN Events

- **Fall Summit (October/November, exact dates TBD)** – A key networking and training opportunity. If unable to attend, you must coordinate with WA-SEN ahead of time.
- **Student Engagement Day in Olympia (Late January/Early February, exact dates TBD)** – A major advocacy event where students meet directly with legislators.

This is your chance to **amplify student voices, drive policy change, and build leadership skills** while shaping the future of higher education in Washington. **Join WA-SEN and be a force for student advocacy!**

### Qualifications:

- [Strong commitment to the mission and vision of WA-SEN.](#)

- Enthusiasm about helping students attend college and complete a degree regardless of family income.
- Ability to recruit and work with diverse students (age, veterans, race/ethnicity, etc.)
- Great communication skills

- Excellent organization skills and ability to juggle multiple projects simultaneously.
- [Washington College Grant](#) or federal Pell Grant recipient a plus, but not required
