USE YOUR VOICE TO SHAPE THE FUTURE

Tabling Outreach Ideas Used by WA-SEN

Spin the wheel: Create a prize wheel with different rewards; WA-SEN swag, gift cards, or raffle entries for larger prizes (if applicable). Students can spin the wheel for a chance to win when they sign up for the mailing list or follow WA-SEN on social media.

Photo Booth (will need collaborative efforts with campus/student life departments): Set up a photo booth with props related to WA-SEN themed work. Encourage students to take pictures and post them on social media with a specific hashtag to increase visibility.

Resource Display: Showcase brochures, pamphlets, and flyers about WA-SEN programs, upcoming events, and opportunities for student involvement. Have coordinators ready to answer questions and provide detailed information.

Student Testimonials: Feature video testimonials from current WA-SEN participants talking about their experiences and the benefits of being involved. This can be played on a loop on a TV or tablet.

Interactive Map: Display a large map of Washington and allow students to place pins or stickers on their hometowns. Use this as a conversation starter to discuss how WA-SEN can impact various regions.

Swag Bags: Prepare bags with WA-SEN branded items such as pens, notebooks, water bottles, or stickers. Offer these to students who engage with the table or sign up for more information.

DIY Kits: Provide small DIY kits for students to take home. WA-SEN themed kits and stress relief kits.

Trivia Challenge: Organize a trivia game with questions related to WA-SEN, student engagement, and leadership. Offer a small prize for correct answers.

Giant Jenga or Connect Four: Set up large-scale versions of popular games to attract students (campus/student life may have these already, collaborate). Use this as an opportunity to chat with them about WA-SEN while they play.

Suggestion Box: Place a suggestion box where students can drop in ideas or feedback about what they would like to see from WA-SEN. This can help tailor future programs to student needs.

USE YOUR VOICE TO SHAPE THE FUTURE

Volunteer/Liaison Sign-up: Have a sign-up sheet for students interested in volunteering for WA-SEN events. Provide information on the benefits of volunteering and how it can enhance their resumes.

Partner with Other Organizations: Collaborate with other campus organizations (food, events, and seminars) for joint tabling events. This can help reach a broader audience and show how WA-SEN works with various groups to support student engagement.

Alum Visits: Invite WA-SEN alums to the table to share their experiences and network with current students. This can provide inspiration and tangible examples of how WA-SEN can benefit their future.

Seasonal Themes: Decorate the table according to the season or upcoming holiday to attract attention.
