WASHINGTON

STUDENT ENGAGEMENT NETWORKS

2020 SUMMIT

Hello!

**We're thrilled you can join us
for the WA-SEN 2020
Student Summit.**

Today's students are vital to Washington's economic success—and recovery. Using the strength of a unified collective voice, we're bringing together college students from across the state and across sectors to rise up and speak out about why higher education and equity in financial aid is important to them.

Come prepared to share your interests and journey to and through college, while working in allyship and partnership to tackle the tough issues of today that provide equitable access to higher education.

The day's agenda includes opportunities to hear from elected officials and a number of special guests. This virtual gathering will connect you with a network of other like-minded students by region, and across 50 campuses.
